I'm incredibly honored and grateful to have won 3rd Place in The International Frame photography competition! 📸✨

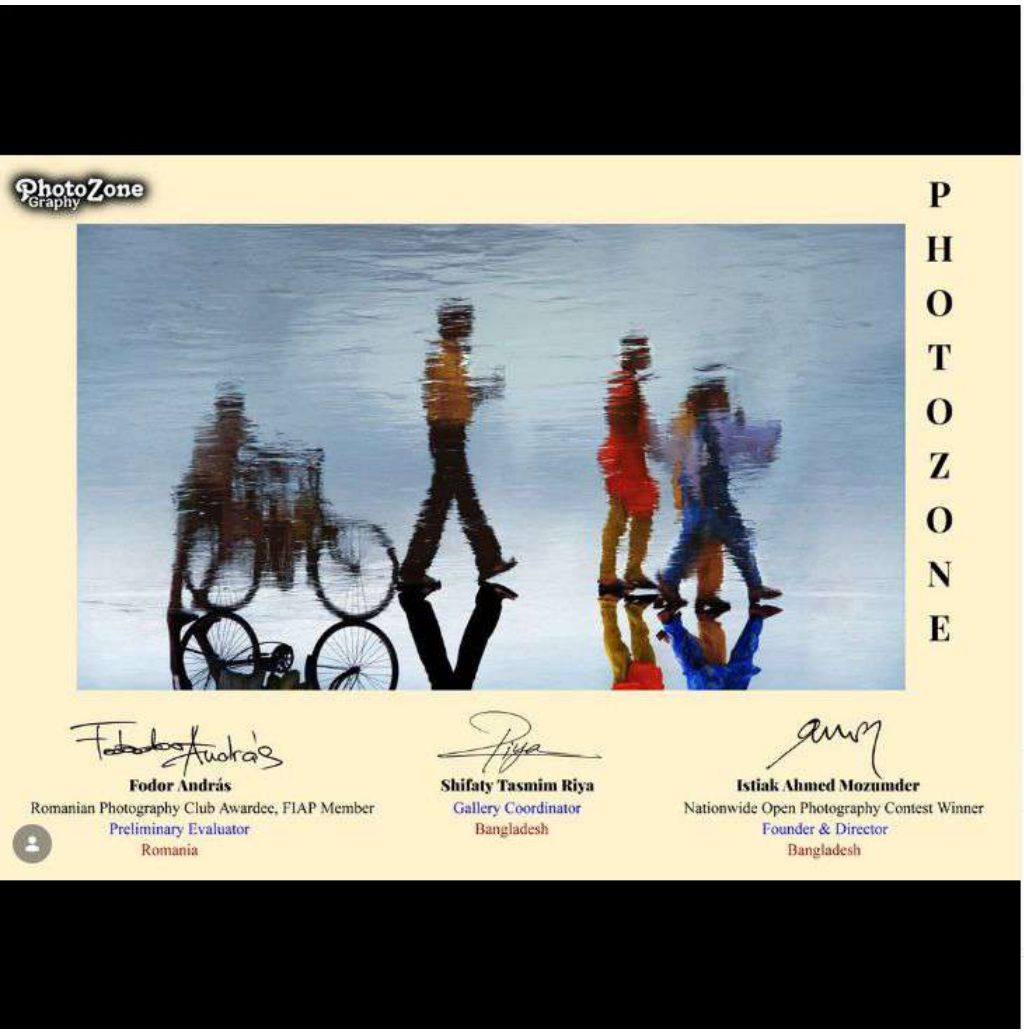

Competing alongside over 100 talented photographers from nine countries makes this recognition even more meaningful.
Thank you to the jury for this distinction and for appreciating my work.

Special thanks to **#PhotoZoneGraphy** for organizing such a wonderful international competition and for supporting photographers around the world. 🙏

Feeling proud and motivated for what's next! 🫶

I am deeply honored and grateful for being awarded First Place in The International Frame competition. This distinction represents for me not only an important professional achievement, but also a confirmation of my passion and dedication to the art of photography.

I thank the organizers of PhotoZone Graphy (@ https://photozonegraphy.rf.gd/)for their professionalism, for the opportunity provided and for creating a high-level competitive framework, which brings together talented artists from all over the world. I particularly appreciate the effort put into organizing an international event with over 100 participants from nine countries.

I also sincerely thank the jury for appreciating my work and recognizing its artistic and technical value. The support and validation from professionals is a strong motivation to continue evolving and creating.

This success inspires me to move forward with even more determination and passion.

With gratitude,
Fodor András

u.t.h.u.m The first-ever contest hosted by PhotoZone Graphy, The International Frame , achieved global reach, with 102 participants from 9 countries and over 300 submissions.

All submissions first underwent a preliminary jury round in Bangladesh. The top entries were then evaluated by three independent jurors, each based in a different region and unaffiliated with one another, resulting in three separate lists of winners.

Two of my pictures got 2nd Place and Honourable Mention From The Jury of Judges.

আজ আমার ফটোগ্রাফি যাত্রায় যুক্ত হলো আন্তর্জাতিক স্বীকৃতির এক গর্বের অধ্যায় ❤️

অত্যন্ত আনন্দ, গর্ব ও কৃতজ্ঞতার সঙ্গে জানাচ্ছি আমার তোলা আলোকচিত্র PhotoZone Graphy কর্তৃক আনুষ্ঠানিকভাবে Authenticated ও Recognized হয়েছে, যা শুধু দেশীয় পর্যায়েই নয়, আন্তর্জাতিক ফটোগ্রাফি অঙ্গনেও স্বীকৃত একটি অর্জন। এই স্বীকৃতির সঙ্গে যুক্ত আছেন আন্তর্জাতিক মানের বিচারক ও ফটোগ্রাফি সংগঠনের প্রতিনিধিরা, যা এই অর্জনকে আমার জন্য আরও তাৎপর্যপূর্ণ করে তুলেছে।

এই আন্তর্জাতিক স্বীকৃতির পেছনে যাঁদের সম্মানজনক মূল্যায়ন রয়েছে, তাঁদের প্রতি গভীর কৃতজ্ঞতা—
• Fodor András — Romanian Photography Club Awardee ও FIAP Member
• Shifaty Tasmim Riya — Gallery Coordinator, Bangladesh
• Istiak Ahmed Mozumder — Founder & Director, PhotoZone

বিশেষভাবে গর্বের বিষয় হলো Nationwide Open Photography Contest-এ অংশ নিয়ে আমার কাজ এমন একটি প্ল্যাটফর্মে জায়গা করে নিয়েছে, যেখানে আন্তর্জাতিক ফটোগ্রাফি মানদণ্ড ও বৈশ্বিক দৃষ্টিভঙ্গিতে কাজগুলো মূল্যায়ন করা হয়। এটি আমার জন্য শুধু একটি পুরস্কার বা স্বীকৃতি নয়, বরং বিশ্বমঞ্চে বাংলাদেশের একজন আলোকচিত্রী হিসেবে নিজের গল্প বলার সুযোগ। প্রকৃতির আলো, মুহূর্তের নীরব ভাষা আর অনুভবের গভীরতা এই তিনকে এক ফ্রেমে ধরার যে স্বপ্ন নিয়ে পথচলা শুরু হয়েছিল, আজ তা আন্তর্জাতিক স্বীকৃতির মাধ্যমে আরও এক ধাপ এগিয়ে গেল।

আলহামদুলিল্লাহ ❤️
ইনশাআল্লাহ, সামনে আরও দায়িত্ব নিয়ে, আরও পরিশ্রম করে, দেশকে প্রতিনিধিত্ব করার মতো কাজ উপহার দিতে চাই। এই অর্জন আমার একার নয় এটা আমার স্বপ্ন, আমার পথচলা, আর যারা বিশ্বাস রেখেছেন তাদের সবার।

A message from Yevhen Samuchenko:

Dear young photographers,
I was delighted to see so many inspiring works during the judging of the Top photographs.

Drawing upon my rich photographic experience, allow me to share a few suggestions.
Study the foundations of composition with patience and dedication, and practice them until they become second nature. Regularly immerse yourself in the works of photographers and the great masters of painting who inspire you. I encourage you to do this through physical books rather than on screens, because the printed page allows you to slow down, to notice subtle details and the principles of visual construction that the author employed. In this way, you will train your eye to see more consciously and to understand how images are built from within.

Once you feel confident in mastering these foundations, begin to shape your own style — and do not be afraid to break the rules deliberately and with purpose. The true essence of photography lies in finding resonance with your subject before pressing the shutter. When you connect deeply with what you are photographing, your images will carry an energy that the viewer can feel. This is the moment when your work transcends technique and becomes art.

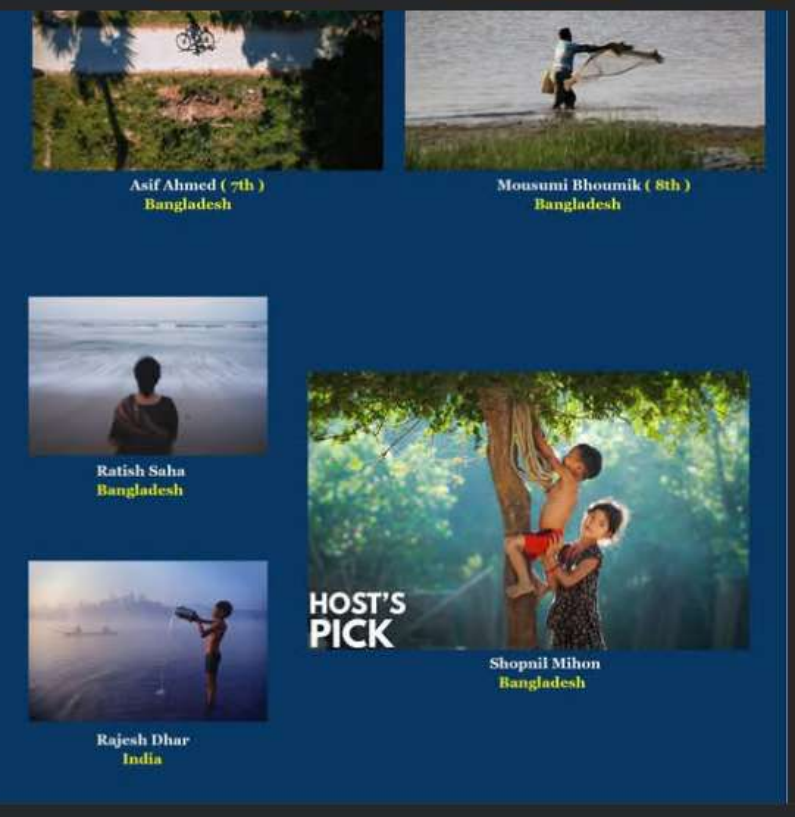

With wishes of Good Light,
Yevhen Samuchenko
